

Equipment for Loan

The equipment listed below are to be used to develop content for educational purposes only, i.e teaching and learning.

| Equipment | Specifications | Images |
|----------------------------|---|---|
| Sony FDR-AX33 | 4K Camcorder 8.29 Megapixels(16:9) 10x Optical zoom |  A black Sony FDR-AX33 4K camcorder is shown from a three-quarter front view. The lens is prominent on the left, and the LCD screen is flipped out to the right, displaying a vibrant landscape scene with a blue lake and green hills under a clear sky. |
| Rode Wireless Go ii | Dual-Channel Wireless Mic Record 2 sources simultaneously Can be used with a phone, computer (webcam) or camcorder system |  Three black Rode Wireless Go II microphones are displayed. Two are positioned at the top, one slightly behind the other, and a third is in the foreground, angled towards the viewer. Each microphone has the Rode logo and 'WIRELESS GO II' printed on its top surface. The foreground microphone also shows a small LCD screen with green and red indicators. |
| Logitech C930e | HD 1080p Webcam H.264 video compression Wide 90° field of view |  A Logitech C930e webcam is shown from a front-three-quarter perspective. It features a silver and black design with a large lens in the center and a microphone array on the left side. The webcam is mounted on a black adjustable stand that is currently in its retracted position. |
